

SHRINKFAST 998 HEATGUN

U.L. Listed

- Internal combustion and stay-cool guard
- Locking trigger prevents accidental gas discharge
- Automatically shuts off when put down or dropped
- Preset, locked regulator, safety latch

Portable

- Weighs only 2.2 lbs.

Efficient

- Operates on 15 or 30 PSI gas pressure, versus 50 PSI on other models
- Requires approximately 2 cents of energy per minute of operation using vapor withdrawal propane

Efficient

- Produces up to 212,000 BTU/hr., spreading heat evenly without hot spots that can melt polyethylene film

SHRINKFAST 975 HEATGUN

U.L. Listed

- Internal combustion and stay-cool guard
- Locking trigger prevents accidental gas discharge
- Automatically shuts off when put down or dropped
- Preset, locked regulator, safety latch

Portable

- Weighs only 3.3 lbs.

Efficient

- Operates on 22 PSI gas pressure, versus 50 PSI on other models
- Requires approximately 2 cents of energy per minute of operation using vapor withdrawal propane

Efficient

- Produces 125,000 BTU/hr., spreading heat evenly without hot spots that can melt polyethylene film
